Nutri-Active Skin Barrier Restoring & Repairing Cream

The ingredients are carefully selected to provide improved moisture balance in the skin and improve the skin's protective barrier. Dermatologically tested and developed in collaboration with dermatological expertise.

Contains

Jojoba oil that is soothing and balancing for skin sebum production. Calming and healing Oat extract, which together with Borage Oil (GLA) provide long-lasting nutrition and a moisturizing effect. Also contains Hexapeptide-37 that improves the skin barrier function and stimulates cell renewal.

Nutri-Active Skin Barrier Restoring & Repairing Cream

Active ingredients

- **Jojoba oil** – Soothing. Binds moisture. Balancing for skin sebum production.
- **Borage oil** – Balances the skin's normal function. Improves the skin's ability to preserve moisture and suppleness.
- **Oat extract** – Soothing and healing. Maintains moisture in the skin.
- **Urea/Carbamide** – Natural moisturizer in the skin. Dissolves dead skin cells. Improves the skin barrier function.
- **Niacinamide/Vitamin B3** – Nurturing. Improves the skin barrier function and skin elasticity.
- **Hexapeptide-37** – Improves the skin barrier function. Stimulates cell renewal and improves the moisture balance.
- **Allantoin** – Moisturizing. Efficiently soothes the skin.
- **Shea butter** – Moisturizing, restores the skin's lipid balance. Rich in antioxidants such as vitamin E, A and F.
- **Canola oil** – Moisturizing. Nourishes the skin. Rich in the antioxidant vitamin E.
- **Sunflower oil** – Moisturizing. Strengthens and balances the skin's protective barrier. Rich in omega 6.

#SKINSTAMINA

Brightening Hydroactive Multivitamin Essence

Facial water and serum in one step for stunning radiance. Provides deep moisturization while improving skin texture. Reduces the visibility of pores, which in turn contributes to giving the skin an even skin tone. A super powerful antioxidant cocktail.

Suitable for

- Normal to dry skin
- Mature skin
- Vegan

Price retail: SEK 595 / 100 ml

Brightening Hydroactive Multivitamin Essence

Carefully selected effective ingredients to provide deep moisturization and give a smoothing effect on the skin tone. Dermatologically tested and developed in collaboration with dermatological expertise.

Contains

Green Tea and Grape Seed extract, both rich in antioxidants that act anti-inflammatory and antibacterial. Nurturing Vitamin B3 that improves the skin barrier function and skin tone, as well as stabilized Vitamin C that reduces pigmentation and protects against free radicals. Also contains natural moisturizing factors (NMF) that keep the outer layer of the skin protected and also provide deep moisturization.

Brightening Hydroactive Multivitamin Essence

Active ingredients
