#SKINFITNESS

Cool Derma DEEP Clean 2 in 1 Exfoliating Gel Cleanser

Cooling and refreshing foaming cleansing gel with a delicate scent of apple and cucumber. Contains exfoliating AHA / BHA acids that provide a deep cleansing effect on the skin and remove dead skin cells.

Suitable for

- Oily/mixed skin
- Mature skin
- Clogged pores and pimples
- Vegan

Price retail: SEK 399 / 200 ml

Cool Derma DEEP Clean 2 in 1 Exfoliating Gel Cleanser

The ingredients in the cleansing gel are carefully selected to effectively remove impurities, prevent the appearance of new outbreaks and balance the sebum production without making the skin dry

Dermatologically tested and developed in collaboration with dermatological expertise.

Cool Derma DEEP Clean 2 in 1 Exfoliating Gel Cleanser

Active ingredients

- **AHA (glycolic acid/lactic acid)** – Exfoliating. Improves skin texture and skin tone. Adjusts the pH-level of the skin.
- **BHA (salicylic acid)** – Exfoliating. Makes the skin tone and skin structure smooth and even. Deep cleansing effect.
- **Niacinamide/vitamin B3** – Nourishing and smoothing effect. Improves the skin barrier function and the skin elasticity.
- **Allantoin** – Moisturizing. Efficiently soothes the skin.
- **Carbamide/Urea** – Natural moisturizer in the skin. Dissolves dead skin cells. Improves the skin barrier function.

Advanced Hydro Clean & Calm Moisturizer

Light moisturizing face cream with a fresh scent of apple. The cream is quickly absorbed into the skin without making it greasy. Specifically developed to balance and nourish oily/mixed skin.

Suitable for

- Oily/mixed skin
- Mature skin
- Clogged pores and pimples
- Vegan

Price retail: SEK 385 / tube 50 ml

Advanced Hydro Clean & Calm Moisturizer

The ingredients are carefully selected to effectively prevent and reduce the appearance of impurities and uneven skin structure without making the skin dry. Helps to dissolve impurities, remove dead skin cells and reduce enlarged pores.

Dermatologically tested and developed in collaboration with dermatological expertise.

Advanced Hydro Clean & Calm Moisturizer

Active ingredients

- **AHA (glycolic acid/lactic acid)** – Exfoliating. Improves skin texture and skin tone. Adjusts the pH-level of the skin.
- **BHA (salicylic acid)** – Exfoliating. Makes the skin tone and skin structure smooth and even. Deep cleansing effect.
- **Niacinamide/vitamin B3** – Nourishing and smoothing effect. Improves the skin barrier function and the skin elasticity.
- **Allantoin** – Moisturizing. Efficiently soothes the skin.
- **Panthenol/Provitamin B5** – Moisturizing. Improves the skin barrier function.
- **Shea butter** – Moisturizing, restores the skin lipid balance. Nourishes the skin. Contains antioxidant vitamin E, A and F.
- **Zinc** – Anti-irritant with an antibacterial function.
- **Canola oil** – Moisturizing. Nourishes the skin. Rich in the antioxidant vitamin E.
