EYE CREAM & FACE MASK

- A multifunctional eye cream with nourishing, repairing and moisturizing characteristics
- A multifunctional face mask providing a nourishing and deep hydration as a result
- Specially developed to strengthen the skin's resistance, repair and promote its natural protection
- Carefully selected ingredients in collaboration with dermatological expertise

Advanced Hyaluronic Nourishing Eye Contour Cream

A multifunctional eye cream with nourishing and moisturizing effects that strengthen and restore the skin's barrier function. Unique formula with protective and preventative ingredients that help the skin to recover and restore its resistance. This eye cream has a creamy consistency including avocado oil, oat extract, hyaluronic acid and argireline peptides.

The ingredients have both a preventative and protective effect on the skin's barrier function as well as help counteract external environmental stress, dry lines, swelling and the appearance of a new lines around the eyes. The high-performance formula contains, among other things, avocado oil – rich in lecithin, squalene, phytosterols and vitamin A-B7 (biotin) –D -E. Furthermore, avocado oil is moisturizing and increases collagen production in the skin.

SUITABLE FOR:

- All skin types
- Mature skin
- Sensitive skin
- Vegan

Price to end consumer: 525 SEK incl. VAT, 30 ml tube
